National House of Vinohrady

Since 1894...

The Neo-Renaissance National House of Vinohrady has three large beautifully decorated historical halls and four break-out rooms. Mayakovsky Hall, one of the biggest and most beautiful halls in Prague, is an ideal choice for a gala dinner of up to 400 people but also for conferences, balls, exhibitions or weddings. The capacity of the whole house is up

to 1200 people. Top-quality technical facilities (AV, high-speed internet connection and Wi-Fi) and a full range of auxiliary services (catering, large-capacity cloakrooms, management and security service) supplement what this beautiful historical setting has to offer.
